## PRESS RELEASE

**Date: 27<sup>th</sup> November, 2024**

**SUPRAJIT ENGINEERING LIMITED, INDIA (SEL) IS EXCITED TO ANNOUNCE THE SIGNING OF A MEMORANDUM OF UNDERSTANDING (MOU) WITH CHUO SPRING COMPANY LIMITED, JAPAN (CHUO)**

This collaboration includes a 50:50 joint venture (JV) in India to design, manufacture, and supply transmission cables, and a Technical Assistance (TA) agreement, which grants JV access to Chuo's unique Japanese Transmission cable technology.

The JV and TA will first focus on delivering projects for India's two leading Japanese PV OEMs.

The collaboration brings together two globally recognised cable suppliers. It extends the reach of Chuo's special Transmission cable technology to India and may further support Suprajit's global OEM customers. The collaboration further expands SEL's product range to key Japanese customers, and the transmission cable market, going forward.

**About Chuo:** Chuo is a leading Japanese transmission cable maker and supplies to the world's leading Japanese OEMs. Chuo has a global footprint with plants in US, China, Indonesia, and Thailand and consolidated revenue 675 million USD. Chuo's core product is suspension springs, precision springs including engine valve springs, and control cables to Japanese OEMs and Tier 1 customers worldwide.

**About Suprajit:** Suprajit is India's largest automotive cable and halogen bulb maker with an annual global capacity of 400 Million cables and 110 Million halogen bulbs. Suprajit's customers list includes a large number of global automotive majors. Suprajit group has footprints in four continents with multiple plants, tech centres and warehouses.
