Dear Sirs,

Sub: Business Update –US Tariff

Based on the information received from our customs consultants in US, Suprajit will have minimal impact of the additional 25% Tariff announced by US effective 27th August. Most parts are not affected at all, but a small portion of exports with a possible tariff impact of about USD 0.5 million is estimated. This will be discussed with respective customers for full relief.

Rest of the updates on Tariff has been discussed in detail during Q1 Investors Conference call. The transcript of the same is available on the stock exchanges filing and Website of the Company.

Kindly take the aforesaid information on record in compliance of SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015.

Thanking you,

Yours faithfully
For Suprajit Engineering Limited
